## COMMODITY FUTURES TRADING COMMISSION

### Chicago Mercantile Exchange: Proposed Amendments to the Frozen Pork Bellies Futures Contract

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Notice of availability of proposed amendments to the terms and conditions of a futures contract.

**SUMMARY:** The Chicago Mercantile Exchange (CME or Exchange) has proposed amendments to its frozen pork bellies futures contract. The proposed amendments would change the definition of the par delivery unit and revise the discounts applicable to non-par frozen pork bellies.

In accordance with Section 5a(a)(12) of the Commodity Exchange Act and acting pursuant to the authority delegated by Commission Regulation 140.96, the Acting Director of the Division of Economic Analysis ("Division") of the Commodity Futures Trading Commission ("Commission") has determined, on behalf of the Commission, that the proposed amendments are of major economic significance. On behalf of the Commission, the Division is requesting public comment on the proposal.

**DATES:** Comments must be received on or before December 29, 1995.

**ADDRESSES:** Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, 2033 K Street NW., Washington, DC 20581. Reference should be made to the proposed amendments to the CME frozen pork bellies futures contract regarding weight differentials.

**FOR FURTHER INFORMATION CONTACT:** Please contact Fred Linse of the Division of Economic Analysis, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW., Washington, DC 20581, telephone 202-418-5273.

**SUPPLEMENTARY INFORMATION:** The frozen pork bellies futures contract currently provides for the delivery at par of 40,000 pounds of either 12<sup>1</sup>/<sub>4</sub> or 14<sup>1</sup>/<sub>16</sub>-pound frozen pork bellies. Delivery of 16<sup>1</sup>/<sub>18</sub> pound frozen pork bellies is permitted at a discount of 2.5 cents per pound.

Under the proposed amendments, 12<sup>1</sup>/<sub>4</sub>-pound frozen pork bellies would be deliverable at a discount of 1.5 cents per pound, rather than at par as currently specified. In addition, the proposed amendments would reduce to 1.5 from 2.5 cents per pound the existing

discount applicable to the delivery of  $1\frac{1}{18}$ -pound frozen pork bellies. Frozen pork bellies in the  $1\frac{1}{16}$ -pound weight range would continue to be deliverable at par under the proposal.

The CME intends to implement the proposed amendments with respect to the February 1997 contract month and all subsequent contract months upon receipt of Commission approval.

According to the Exchange, the contract's present discount structure encourages the delivery of lighter, less desirable bellies and discourages the delivery of heavier, more desirable bellies. The Exchange said that the proposed amendments are intended to correct this situation.

The Exchange also stated that:

The price differential between the  $1\frac{1}{14}$  [pound] and  $1\frac{1}{16}$  [pound] bellies in the fresh market is volatile. However, the average is approximately zero . . . because sausage makers buy whichever size is the cheapest, which off-sets the weak demand for the  $1\frac{1}{14}$  pound bellies by slicers.

The  $1\frac{1}{18}$  [pound] belly is less desirable than the  $1\frac{1}{16}$  [pound] belly, all other things being the same, because not all slicers are equipped to handle the larger bellies. This is reflected by the price differential which averages 1.6 [cents per pound]. . . . Therefore, the proposed 1.5 [cents-per-pound] discount brings the contract in line with industry practices and cash market differentials.

The Exchange indicated that the proposals will not reduce the deliverable supply of frozen pork bellies for the contract.

The Division is requesting comment with respect to the extent to which the proposed discounts fall within the range of commonly observed cash price differences between  $1\frac{1}{14}$  and  $1\frac{1}{16}$ -pound frozen pork bellies and between  $1\frac{1}{16}$  and  $1\frac{1}{18}$ -pound frozen pork bellies. In addition, commenters are requested to address the effect (if any) the proposed amendments would have on the quantity of frozen pork bellies likely to be economically available for delivery on the contract.

Copies of the amended terms and conditions will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW., Washington, DC 20581. Copies of the terms and conditions can be obtained through the Office of the Secretariat by mail at the above address or by phone at (202) 418-5097.

Other materials submitted by the CME may be available upon request pursuant to the Freedom of Information Act (5 U.S.C. 552) and the Commission's regulations thereunder (17 CFR Part 145 (1987)), except to the extent they are

entitled to confidential treatment as set forth in 17 CFR 145.5 and 145.9.

Requests for copies of such materials should be made to the FOI, Privacy and Sunshine Act Compliance Staff of the Office of the Secretariat at the Commission's headquarters in accordance with 17 CFR 145.7 and 145.8.

Any person interested in submitting written data, views, or arguments on the proposed terms and conditions, or with respect to other materials submitted by the CME, should send such comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW., 20581 by the specified date.

Issued in Washington, DC, on November 20, 1995.

Blake Imel,

*Acting Director.*
